Featuring

**Mike Caveney** and his newest book

*After spending fifty years collecting Sawing in Half memorabilia, and the past year and a half researching and writing this incredible story, I couldn't be more excited for you to see the finished product.*

Learn how this trick became the most popular attraction in all of show business and then turned into a war that was waged on vaudeville and music hall stages around the world by many of the most famous names in magic. It is a tale of inspired originality, blatant thievery, backstage intrigue, unbridled egos and endless lawsuits. It is an illusion that has never stopped being reinvented and continues to baffle modern-day audiences.

**Don't miss this lecture on this special night, Wed., 6/21, 7pm!**

These steps are listed on our Membership Charter, representing our Goals and Accomplishments.
